Happy New Year

A lot can happen in a year.

IRC Start-Up 2016 finished on a record high with 141 boats rated via the Start-Up Clubs and their coordinators. This was a 14% increase on 2015 which was also a record year for Start-Up.

I am delighted to share that this means that 9% of the total

GBR boats rated in 2016 were processed via Start-Up.

Thank you to all concerned it really is appreciated and your support is vital your sport.

If you want something you've never had, then you've got to do something you've never done
